

THE NEW OPEL CROSSLAND

MODERN **GERMAN**

We believe quality is a right, not a privilege. As we discover groundbreaking new technologies, it's our mission to make sure everyone benefits from them. At Opel, the innovations previously only accessible to a few are made available to everyone. This attitude, this challenge to exclusivity, is firmly rooted in the DNA of our brand.

THE NEW CROSSLAND /

The new Crossland makes an unmistakable statement in pure progressive design. Beautifully engineered in Germany for the demands of your busy everyday lifestyle and your next adventure.

MADE FOR REAL LIFE IN STYLE /

Crossland's pure new German design is focused on real-world usefulness. With a confident and comfortable SUV stance it's perfect for everyone ready to look and drive their own way.

THE SUV THAT TURNS HEADS /

Versatility that gets attention. Style that's ready for anything. From the boldly distinctive Vizor to the pure practical interior, Crossland is the SUV with everyday flexibility and beautiful design for daily life.

GO EQUIPPED ARRIVE RELAXED //

Enjoy premium comfort in the spacious, practical cabin with a classic SUV raised-seating position, plus peace of mind with driver assistance features like IntelliGrip traction control and Lane Departure Warning to makes every journey safe and relaxing.

THE WORLD AT YOUR FINGERTIPS //

Stay in touch and in control wherever you're headed with infotainment from Multimedia Navi Pro and connection via Bluetooth® streaming⁴, Apple CarPlay™¹ or Android Auto™^{2, 3}, so you can talk, message and enjoy without compromising driver attention.

¹ Apple CarPlay™ and Apple Siri™ are registered trademarks of Apple Inc., registered in the U.S. and other countries.

² Android Auto™ is a registered trademark of Google Inc.

³ Compatibility and certain functionalities may differ depending on type of device and version of operating system. To check the compatibility of your device, go to www.apple.com, or www.android.com, or contact your Opel retailer.

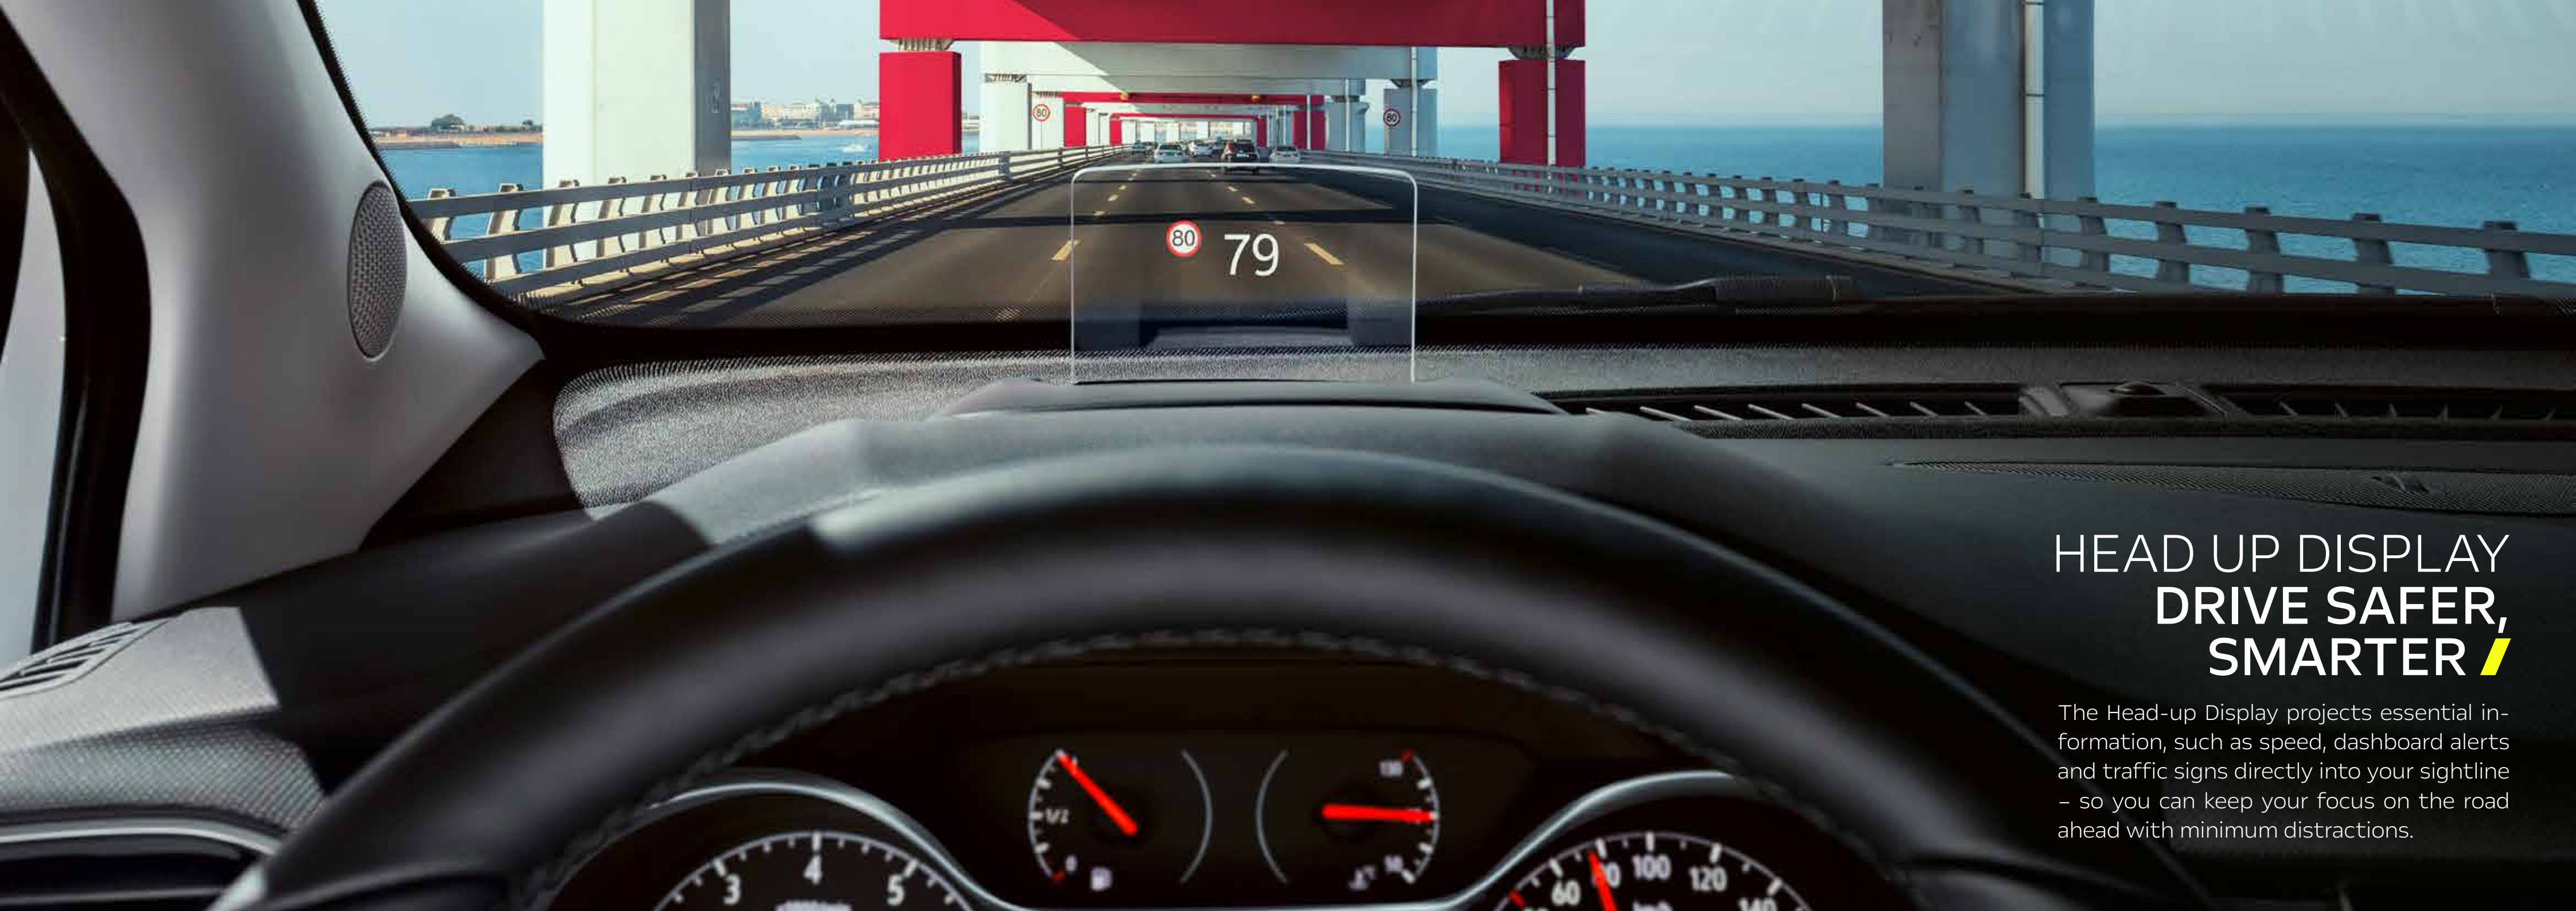

⁴ Bluetooth® is a registered trademark of Bluetooth SIG Inc.

SPACE TO **START LIVING** //

On top of looking good, everyone in a Crossland will feel good too. The interior's versatile functionality like sliding back seats, high seating position and class-leading spaciousness is enhanced by adaptive seating as great for short-hop activities as long-haul trips.

HEAD UP DISPLAY DRIVE SAFER, SMARTER //

The Head-up Display projects essential information, such as speed, dashboard alerts and traffic signs directly into your sightline – so you can keep your focus on the road ahead with minimum distractions.

PANORAMIC ROOF BRIGHTEN EVERY DRIVE

The wide-open skies are yours and just the touch of a button away. The Crossland's panorama glassroof¹ is a significantly larger than your average sunroof, opening up nearly the whole roof so you can enjoy the view and the ultimate sunlit driving experience.

¹Optional

DRIVER ASSISTANCE REAR VIEW CAMERA

This smart 180° camera puts a crystal clear, extra-wide view comfortably on your dashboard, so you can see your blind spots, check obstacles, and avoid danger when reversing, all making your arrival as relaxing as your journey.

POWERFULLY EFFICIENT

Crossland's high-efficiency engines are redefining how dynamically an SUV can handle. The 1.2 Petrol delivers a sporty 61 kW (83 hp), while the 1.2 Direct Injection Turbo offers either 81 kW (110 hp) or 96 kW (130 hp). The advanced 1.5 Diesel engines provides 81 kW (110 hp) or 88 kW (120 hp) for exhilarating performance and confident control at every turn.

YOUR STYLE YOUR WAY //

Crossland's look is confidently ready for everyday adventure, and gets even better when you make it your own. Extensive customization options means whatever your style, from the elegantly understated to the provocatively eye-catching, Crossland has the look for you.

MADE FOR LIVING //

From the moment you confidently pull into traffic with the support of Speed Sign Recognition and Lane Departure Warning to when you arrive perfectly parked using Automatic Park Assist, Opel technology gives you the self-assurance to be ready for wherever the road takes you - and in style too.

BEAUTY ISN'T SCARED OF LIFE //

Crossland has more than just beautiful design. Its exceptional safety features help keep everyone safe. Systems such as Automatic Emergency Braking with Pedestrian Detection¹ monitors the traffic situation and automatically warns and reacts if there is a risky situation. Looking this good is almost just a bonus.

¹Available as an option or in higher equipment lines. The system is active between 5 km/h and 85 km/h. In order to reduce the impact speed in the event of a possible accident, the system brakes the vehicle between 5 km/h and 30 km/h with a braking force of up to 0.9 g. Between 30 km/h and 85 km/h, the system reduces the impact speed by a maximum of 22 km/h. Beyond this threshold, the driver has to brake independently in order to reduce the speed even further. Opel assistance systems are intended to support the driver within the framework of the system-related restrictions. However, the driver remains responsible for driving the vehicle.

BEGIN YOUR **ADVENTURE**

Versatile, luxuriously comfortable, and superbly made for everyday living. The New Opel Crossland with its confident road presence is unmistakably different. Now it's your turn to drive your way and find out how beautifully the new Crossland fits your lifestyle. Start your journey by exploring Opel Crossland online.
